Dear Parents

We want every child at Meadowside to start the day with everything they need in order to learn effectively; a fundamental element of this is a healthy, filling breakfast. **From Monday 3rd June children will be offered a FREE bagel at 9.00am.** A great way to start the day! The bagels will be supplied by **Magic Breakfast**. This give every child the opportunity to start the day with the right fuel for learning. This will replace toast, so that children will not be offered the option of buying toast at morning break. KS1 children will still receive fresh fruit as an option that they can eat at break times. Children can also bring in a healthy snack of their own choice if they prefer.

Our school has joined the government's National School Breakfast Programme (NSBP), which is being delivered by the charities Family Action and Magic Breakfast.

As a NSBP School we are pleased to offer a healthy school breakfast, available to all, and enjoy the benefits that brings, with children settled and ready to learn at the start of the school day. **As well having FREE bagels available every day, we will also be offering a free magic breakfast session at 8.30am every day, where we will serving a range of cereals as well.**

Yours faithfully

Mr S Wright
 Headteacher
